**DOCKET NO. 2009-183-C**

Inmate Calling Solutions, LLC d/b/a ICSolutions ("ICSolutions") has filed with the Public Service Commission of South Carolina ("Commission") an Application for a Certificate of Public Convenience and Necessity for authority to provide institutional telecommunications services to confinement and correctional facilities. By way of example, ICSolutions will provide correctional and confinement institutions with sophisticated premises equipment that permits inmates to make ongoing, collect-only calls without the assistance of a live operator. Another feature of the Company's proposed services includes call screening to eliminate harassing or threatening calls to individuals such as judges, sheriffs, witnesses or jury members. Additionally, ICSolutions requests that its interexchange service offerings be regulated in accordance with procedures established for alternative regulation in Order Nos. 95-1734 and 96-55 in Docket No. 95-661-C as modified in Order No. 2001-997. ICSolutions will switch toll calls through their underlying carrier.
